Sounds good, thanks for the heads up. Do you have a sense of timing for that decision? We are trying to figure out when to share a draft with OAR management.

Hi Matt,

My understanding is that we are still waiting on some final input from our upper management. There may be some edits they want to make before being ok signing the letter.

Patrick & DJ, I saw Gail's suggestions to the Coyote Station/Coyote Creek letter. Have any decisions been made re: the signatory of the letter? Feel free to give me a call to discuss.
